To whom it may concern,

Since we chose Grapevine as a supplier, we have never been let down by their level of service and commitment to look after our mobile requirements.

As this is handled personally by a local team who are easily reached, we know we are in safe hands and able to reach the important people who are involved in our business.

As a Premier Partner of Vodafone, we find the costs of the mobile tariff competitive and Grapevine's added value service priceless.

We would be keen to mention our happiness with Grapevine to any other local business who are seeking a genuine recommendation.

Yours faithfully,

Colin Merecki
Managing Director
